V. POLICIES AND PROCEDURES

A. University Policies and Procedures

1. Attendance at each class or laboratory is mandatory at Oral Roberts University. Excessive absences can reduce a student's grade or deny credit for the course.
2. Students taking a late exam because of an unauthorized absence are charged a late exam fee.
3. Students and faculty at Oral Roberts University must adhere to all laws addressing the ethical use of others' materials, whether it is in the form of print, electronic, video, multimedia, or computer software. Plagiarism and other forms of cheating involve both lying and stealing and are violations of ORU's Honor Code: "I will not cheat or plagiarize; I will do my own academic work and will not inappropriately collaborate with other students on assignments." Plagiarism

is usually defined as copying someone else's ideas, words, or sentence structure and submitting them as one's own. Other forms of academic dishonesty include (but are not limited to) the following:

- a. Submitting another's work as one's own or colluding with someone else and submitting that work as though it were his or hers;
- b. Failing to meet group assignment or project requirements while claiming to have done so;
- c. Failing to cite sources used in a paper;
- d. Creating results for experiments, observations, interviews, or projects that were not done;
- e. Receiving or giving unauthorized help on assignments.

By submitting an assignment in any form, the student gives permission for the assignment to be checked for plagiarism, either by submitting the work for electronic verification or by other means. Penalties for any of the above infractions may result in disciplinary action including failing the assignment or failing the course or expulsion from the University, as determined by department and University guidelines.

4. Final exams cannot be given before their scheduled times. Students need to check the final exam schedule before planning return flights or other events at the end of the semester.
5. Students are to be in compliance with University, school, and departmental policies regarding the Whole Person Assessment requirements. Students should consult the Whole Person Assessment handbooks for requirements regarding general education and the students' majors.
 - a. The penalty for not submitting electronically or for incorrectly submitting an artifact is a zero for that assignment.
 - b. By submitting an assignment, the student gives permission for the assignment to be assessed electronically.

B. Department Policies and Procedures

Note: Attendance policy is enforced. Excessive absences will affect your grade. See syllabus attendance policy.

1. Completion of a Course
 - a. All assignments are due on the dates established in the course calendar, which is published in the syllabus or assigned in class. **Any assignments turned in after the scheduled due date will be penalized five percent (5%) of the original value per day including weekends, breaks, and holidays.**
 - b. **No work** is accepted after the final date of regular classes.
2. Incompletes
 - a. An incomplete is given only after the student establishes with the instructor and the department chair by written petition that his or her work is incomplete for good cause (i.e., lengthy illness, death in the family). **Incompletes are rarely granted.** Only those absences that are incurred within the time period of the extenuating circumstances prompting an incomplete will be excused. The student is still accountable for any other absences and will be penalized for them according to the attendance policy.

- b. A Petition for Incomplete Grade with all supporting documentation must be submitted for approval at least one week prior to the end of normal classes. The submitting of a petition does not automatically ensure the granting of an incomplete. The petition must be approved by the appropriate academic committee of the Undergraduate Theology Department.
- 3. Examinations and Other Assignments
 - a. Early examinations **are not** allowed.
 - b. Late examinations are administered only when extenuating circumstances are present (such as a death in the family the week before exams, sudden and major illness the week of exams that is documented by a physician). In fairness to all students, some persons should not have more time to prepare for an examination than others. **The granting of a late examination request is rare.**
 - c. A Petition for Late Examination without penalty must be signed by the professor and the chair. Proper documentation must accompany the petition and must be submitted to the Undergraduate Theology Department. The student must schedule the makeup exam with the professor of the course. The exam must be taken no later than five (5) calendar days after the approval of the petition. **Grade penalties may be applied as indicated by the Academic Affairs Committee.**
 - d. **All** exams will be given as scheduled. It is the student's responsibility when purchasing airline tickets, for example, to take this schedule into consideration. **Not being present for the final examination automatically results in failure of the course.**
 - e. These requirements apply to all quizzes, tests, and examinations administered by the Undergraduate Theology Department.
- 4. Attendance
 - a. The Official Attendance Policy for the Undergraduate Theology Department is as follows for a three-semester hour class:
 - (1) If the class meets three times a week, the missing of 6 class sessions will result in a grade reduction of one letter grade. Missing 12 class sessions will automatically result in a grade of "F."
 - (2) If a class meets twice a week, the missing of 4 class sessions will result in a grade reduction of one letter grade. Missing 8 sessions will automatically result in a grade of "F."
 - (3) If the class meets once a week, then missing 2 class sessions will result in a grade reduction of one letter grade. Missing 4 class sessions will automatically result in a grade of "F."
 - b. **The absences allowed prior to grade reduction are designed to allow for emergencies and illnesses, and are not designed for indiscriminate use.** Many students incorrectly assume that they may use these allowable absences as unexcused "cuts" from class. Administrative excuses are granted only when a student is on official University business and has received approval in advance from the University administration.
 - c. Students are expected to be prompt for classes. **Two tardies will equal one absence.**

C. Course Policies and Procedures

1. Evaluations
 - a. Essay: Authorship of the Pentateuch 25%
 - b. Essay: Date of the Exodus 25%
 - c. Essay: Problem of the numbers of Numbers 20%

Written Assignments (All of which are to be Submitted via Desire to Learn)

Assignment #1: On Line Component/Assignment: Write an essay of sufficient length discussing the various theories concerning the authorship of the Pentateuch. Discuss the strengths and

weaknesses of each theory and the principle scholars who advocate each theory and those who oppose. In particular, thoroughly discuss the traditional position of Mosaic authorship (including variations on it), demonstrating that you know the evidence in favor of and against Mosaic authorship. In addition, thoroughly discuss the Documentary Hypothesis (also known as the JEDP Theory or the Graf-Welhausen Hypothesis) including the documents (name, contents or characteristics, and date) and the principle scholars who advanced the theory and those who have opposed it. Part Three of the Livingston text and the introductions in the *Expositor's Bible Commentary* and in the Dillard & Longman text will be very helpful in writing this essay.

Assignment #2: On Line Component/Assignment: Write an essay of sufficient length discussing the date of the Exodus event. The charts on pages 102–103 in *Chronological and Background Charts of the Old Testament* provide a good summary of the arguments for and against the two dates most often put forward for the event. In the essay, be sure to discuss every element of these two charts. Demonstrate in your essay that you understand each of these elements. There are also extended discussions in the *Expositor's Bible Commentary* that you will find useful.

Assignment #3: On Line Component/Assignment: Write an essay of sufficient length discussing the problem with the numbers in the book of Numbers. The population figures given in the book strike some scholars as grossly inflated given the current state knowledge concerning the population of the Ancient Near East. You will find a discussion of this issue in the commentary. Be sure to address how this problem affect the doctrine of divine inspiration.

Assignment #4: On Line Component/Assignment: Write an essay of sufficient length discussing the Messianic prophecies in the Pentateuch and how they are fulfilled in Jesus. You will find chapters I, II, and X in Walter C. Kaiser, Jr., *The Messiah in the Old Testament*, very helpful. Include a reflection of how Jesus fulfills the sacrifices discussed in the book of Leviticus. Be as specific as possible.

Assignment #5: On Line Component/Assignment: On a separate sheet of paper, write a statement indicating what percentage of the assigned readings you have read and sign the statement. This is an all or nothing assignment. Anything less than all (100%) of the readings will result in no points being earned for this assignment.

Week #	Assignment Due on Friday of each week

3	Assignments three, four, and five due
