- B. Optional Materials

- 1. Textbooks
 - None
- 2. Other None

V. POLICIES AND PROCEDURES

- A. University Policies and Procedures
 - 1. Attendance at each class or laboratory is mandatory at Oral Roberts University. Excessive absences can reduce a student's grade or deny credit for the course.
 - 2. Students taking a late exam because of an unauthorized absence are charged a late exam fee.
 - 3. Students and faculty at Oral Roberts University must adhere to all laws addressing the ethical use of others' materials, whether it is in the form of print, electronic, video, multimedia, or computer software. Plagiarism and other forms of cheating involve both lying and stealing and are violations of ORU's Honor Code: "I will not cheat or plagiarize; I will do my own academic work and will not inappropriately collaborate with other students on assignments." Plagiarism is usually defined as copying someone else's ideas, words, or sentence structure and submitting them as one's own. Other forms of academic dishonesty include (but are not limited to) the following:
 - a. Submitting another's work as one's own or colluding with someone else and submitting that work as though it were his or hers;
 - b. Failing to meet group assignment or project requirements while claiming to have done so;
 - c. Failing to cite sources used in a paper;
 - d. Creating results for experiments, observations, interviews, or projects that were not done;
 - e. Receiving or giving unauthorized help on assignments.

By submitting an assignment in any form, the student gives permission for the assignment to be checked for plagiarism, either by submitting the work for electronic verification or by other means. Penalties for any of the above infractions may result in disciplinary action including failing the assignment or failing the course or expulsion from the University, as determined by department and University guidelines.

- 4. Final Exams cannot be given before their scheduled times. Students need to check the final exam schedule before planning return flights or other events at the end of the semester.
- 5. Students are to be in compliance with University, school, and departmental policies regarding Whole Person requirements. Students should consult the Whole Person handbooks for requirements regarding general education and the students' majors.
 - a. The penalty for not submitting electronically or for incorrectly submitting a Whole Person artifact is a zero for that assignment.
 - b. By submitting an assignment, the student gives permission for the assignment to be assessed electronically.
- B. Department Policies and Procedures Note: Attendance policy is enforced. Excessive absences will affect your grade. See syllabus attendance policy.
 - 1. Completion of a Course
 - a. Late work will not be accepted. Assignments are due on or before the deadline given.

- b. Under rare circumstances, exceptions may be made in consultation with the faculty member for the course. However, except in extreme emergencies, students must contact faculty members before the assigned due date and request and exception to the policy.
- 2. Incompletes

a.

- An incomplete is given only after the student establishes with the instructor and the department chair by written petition that his or her work is incomplete for good cause (i.e., lengthy illness, death in the family). **Incompletes are rarely granted.** Only those absences that are incurred within the time period of the extenuating circumstances prompting an incomplete will be excused. The student is still accountable for any other absences and will be penalized for them according to the attendance policy.
- b. A Petition for Incomplete Grade with all supporting documentation must be submitted for approval at least one week prior to the end of normal classes. The submitting of a petition does not automatically ensure the granting of an incomplete. The petition must be approved by the appropriate academic committee of the Undergraduate Theology Department.
- 3. Examinations and Other Assignments
 - a. Early examinations **are not** allowed.
 - b. Late examinations are administered only when extenuating circumstances are present (such as a death in the family the week before exams, sudden and major illness the week of exams that is documented by a physician). In fairness to all students, some persons should not have more time to prepare for an examination than others. The granting of a late examination request is rare.
 - c. A Petition for Late Examination without penalty must be signed by the professor and the chair. Proper documentation must accompany the petition and must be submitted to the Undergraduate Theology Department. The student must schedule the makeup exam with the professor of the course. The exam must be taken no later than five (5) calendar days after the approval of the petition. Grade penalties may be applied as indicated by the Academic Affairs Committee.
 - d. **All** exams will be given as scheduled. It is the student's responsibility when purchasing airline tickets, for example, to take this schedule into consideration. Not being present for the final examination automatically results in failure of the course.
 - e. These requirements apply to all quizzes, tests, and examinations administered by the Undergraduate Theology Department.
- 4. Attendance Policy
 - a. The Official Attendance Policy for the Undergraduate Theology Department is as follows for the three-semester 3-hour class:
 - 1. If class meets three times a week, 3 unexcused absences will result in 1 grade letter reduction; 6 unexcused absences will automatically result in an "F" for the course.
 - 2. If class meets two times a week, 2 unexcused absences will result in 1 grade letter reduction; 4 unexcused absences will automatically result in an "F" for the course.
 - 3. If the class meets one time a week, 1 unexcused absence will result in 1 grade letter reduction; 2 unexcused absences will automatically result in an "F" for the course.
 - b. The absences allowed prior to grade reduction are designed to allow for emergencies and illnesses, only. (Faculty may require documentation.) Administrative excuses are granted only when a student is on official

University business and has received approval in advance from the University administration.

- c. The penalty for tardies is at the discretion of the instructor.
- 5. **Class participation**. Class discussion and participation are designed to facilitate reflection and learning in the classroom. Students will be evaluated on their participation and preparation for class.
- 6. **Classroom presentation**. Each student is required to present on a ministry or humanitarian organization. Student will share about the mission and vision of the ministry/ organization and the scope of work they do to help people. Use your creativity in designing these presentations (power point demonstration, movie, audio, etc.). A rubric will be handed out at the beginning of the semester that explains the grading criteria for the class presentation.
- 7. **Interactive Papers**. Student will write 3 (three) interactive papers for this course on local and national ministries and humanitarian organizations. Student will select three ministries and/or humanitarian organizations whose mission is to help people. Student will write about the mission and vision of the organization/ ministry, the scope of work they do to help people, and the contributions of volunteers in the organization. Student will interview (phone or live) a staff member to learn more about the organization/ ministry. Each paper needs to be 3-4 pages in length, 12 sized Times New Roman font, 1-inch margins, and double space.
