B. Course Policies and Procedures

1. Evaluation

- a) Instructors record a weekly grade to be averaged at the end of the semester. Each unexcused absence will lower the final grade by one letter grade (e.g. from A to B). Three unexcused absences will result in an automatic F for the course. If students contact the instructor previous to an unexcused absence, the lesson may or may not be made up at the instructor's discretion. If an instructor misses a lesson, the lesson will be made up at a mutually agreeable time.

b) Grading Procedures:

- i. Daily lesson grades will be based on a point system. Each week students will receive up to 50 points based on an evaluation sheet standard by the Music Applied Lesson Criteria. This will include a weekly assignment and the grade (or number of points) earned for that week's assignment.
- ii. At the end of the semester the number of points possible will be divided by the number of points earned to average student grades for the semester. Students will also be assigned a "program notes" assignment that will be worth 50 points towards their final grade.
- iii. Up to 5 bonus points can for attending or performing in a Master Class. Bonus point opportunities must be discussed with the instructor, and approved in advance.

Summary of Points for your semester grade:

(subject to changes if necessary)

Weekly Lessons 50 points (X # of lessons)

Program Notes 50 points

Final Exam/ Jury 100 points

Total Points X points for the semester (based on # of lessons)

- c) Semester performance exams (Juries) are required of all students. Faculty members representing the family of instruments adjudicate this jury exam. Individual instructors may specify the weight of performance exams in determining the final grade. During the spring semester of the sophomore year, the jury committee and Wind Coordinator are responsible for

recommending whether a student is allowed to continue, placed on probation, or prohibited from continuing as music major in the department.

d) Whole Person Assessment Requirements

There are no WPA requirements for this course

e) Portfolio Requirements

Copies of Instrumental Jury Evaluation Sheets, providing repertoire studied and the progress shown for each semester and selected recordings of performances (audio and/or video tapes, or CD's) may be included in the portfolio.

f) **Program Notes Assignment:**

- i. One-page typed summary (in student's own words) of any information on the piece they are studying.
- ii. It should include any composer information (birth-death dates), clarinet history information (when the piece was written, who it was written for- if known), list of recordings available if any (see the Schwann Opus Catalogue), and any other information that could be included on recital program notes.
- iii. Once a student solo/jury piece is assigned, the program notes assignment will be due at their next lesson. Late papers will result in a lowered grade on the assignment. If the program notes are not turned in by the last lesson day, a zero for that assignment will be given and will be averaged into their grade for the semester.
- iv. **Plagiarized papers will NOT be accepted. Please CITE SOURCES using MLA format.**
